EVANGELISTIC MINISTRIES

Where God's Global Glory Is Our Goal

June, July, August 2019

Dear Pastor and Church Family,

Graduations, camps, and VBS's are almost all over, and we are on the downward slope of another year, racing to its end. My heart tells me "Redeem the Time!"

That is what we want to do; redeem the time. Taking advantage of every opportunity God grants us to propel the gospel message a little further than it has ever gone. One powerful tool we use to do that is the Printed Page. Our warehouse sits nearly full with several container loads we want yet to ship this year.

Our Tons of Truth campaign month is October! We are asking God to help us set a budget for 100 Tons by September 31st, 2019. That means at \$800 per ton, we need 100 churches and/or individuals to help send a ton of Bibles and literatures around the world. The perfect seed of God's word will find good soil and transform lives and communities for Christ's sake. Will you help us today?

Visit our website and download the new PREACH app from the app store for free. Your partnership is urgently needed. May God bless, honor, and multiply what you will do for His glory today.

Your fellow servants for souls,

Dr. Paul E. Pritchard Jr.
